

DRUG AND ALCOHOL DEPENDENCE

CONTENTS

Volume 25 (1990)

| | |
|---|-----|
| Self-report vs. laboratory measures of aggression as predictors of substance abuse by C. Muntaner, D. Walter, C. Nagoshi, D. Fishbein, C.A. Haertzen and J.H. Jaffe | 1 |
| Characteristics of women receiving mandated treatment for alcohol or polysubstance dependence in Massachusetts by B.W. Lex, S.K. Teoh, I. Lagomasino, N.K. Mello and J.H. Mendelson | 13 |
| Schedule-induced oral self-administration of cocaine and ethanol solutions: lack of effect of chronic desipramine by M.Tang and J.L. Falk | 21 |
| Effects of sublingually given naloxone in opioid-dependent human volunteers by K.L. Preston, G.E. Bigelow and I.R. Liebson | 27 |
| The effects of moderate drinking and abstinence on serum and urinary β -hexosaminidase levels by P. Kärkkäinen, K. Jokelainen, R. Roine, A. Suokas and M. Salaspuro | 35 |
| Diploma in addiction behaviour: update by I.B. Glass | 39 |
| The effect of clonidine and related substances on voluntary ethanol consumption in rats by K. Opitz | 43 |
| Stasis pigmentation and chronic alcoholism by C.E. González-Reimers, F. Santolaria-Fernández, N. Batista-López and P. Machado-Machado | 49 |
| Alcohol, AIDS risk and commercial sex: some preliminary results from a Scottish study by M.L. Plant, M.A. Plant and R.M. Thomas | 51 |
| Corrélatifs biophysiques membranaires de la tolérance et de la dépendance envers l'alcool by F. Beaugé, G. Aufrère, E. Niel, M. Zérouga and B. Le Bourhis | 57 |
| Are the effects of chronic ethanol administration on erythrocyte membrane mediated by changes in plasma lipids? by M.H. Branchey and L. Buydens-Branchey | 67 |
| Opioid antagonist challenges in buprenorphine maintained patients by T.R. Kosten, J.H. Krystal, D.S. Charney, L.H. Price, C.H. Morgan and H.D. Kleber | 73 |
| Association between intravenous drug use and early misbehaviour by J.M. Tomas, D. Vlahov and J.C. Anthony | 79 |
| Clinical and prognostic value of serum procollagen levels in chronic alcoholic liver disease by E. González-Reimers, M.M. Brajin-Rodríguez, F. Rodríguez-Moreno, F. Santolaria-Fernández, N. Batista-López, H. Alvarez-Argüelles, A. Milena and A. Rodríguez-Hernández | 91 |
| Concurrent and simultaneous use of alcohol with cocaine: results of national survey by B.F. Grant and T.C. Harford | 97 |
| Effects of self-reported drug use and antisocial behavior on evoked potentials in adolescents by W.B. Pickworth, B.S. Brown, J.E. Hickey and C. Muntaner | 105 |
| Editor's acknowledgement | 111 |
| Editorial by H. Halbach and C.E. Johanson | 113 |
| Drug abuse strategies by W.R. Martin | 115 |
| Research on psychopathology and addiction: treatment implications by G.E. Woody, A.T. McLellan and C.P. O'Brien | 121 |
| Implications of the multiplicity of opioid receptors for the problem of addiction by A. Herz | 125 |

| | |
|--|-----|
| The 'point of no return' as a target of experimental research on drug dependence by H. Coper, H. Rommelspacher and J. Wolffgramm | 129 |
| On the importance of the psychotropic effects of alcohol by J.-P. von Wartburg | 135 |
| Some implications of animal alcohol self-administration studies for human alcohol problems by H.H. Samson and K.A. Grant | 141 |
| Urine analysis for benzodiazepines among opiate consumers by D. Ladewig and A. Scholer | 145 |
| Research on drug use: a review of problems, needs and future perspectives by K.-H. Reuband | 149 |
| The social relevance of epidemiological research in drug use, abuse and dependence: a position paper by W.I. Soueif | 153 |
| Usage de psychotropes et toxicomanie: voies de recherche epidemiologique by F. Facy et D. Rosch | 159 |
| Research is badly needed to improve programmes for the prevention and treatment of drug abuse and drug dependence in Brazil by E.A. Carlini | 167 |
| Treatment outcome: a neglected area of drug abuse research by L.E. Hollister | 175 |
| Research issues in assessing addiction treatment efficacy: how cost effective are Alcoholics Anonymous and private treatment centers? by S. Peele | 179 |
| Science aid to policy dilemmas: Implications of alcohol research to policy formulation in U.S.A. by E. Gordis | 183 |
| Toxicomanies et prevention primaire by J. Bergeret | 187 |
| A plan aimed at the prevention and treatment of drug dependence by D.N. Nurco and M.B. Balter | 193 |
| Impact of research on designing strategies for preventing and treating dependence on drugs and alcohol by W. Feuerlein | 199 |
| Impact of research on designing strategies for preventing and treating dependence on drugs: the case for developing countries especially African countries by T. Asuni | 203 |
| Medico-legal aspects of treatment and prophylactic care of narcotic drug addicts by E.A. Babayan | 209 |
| Brief history of control, prevention and treatment of drug dependence in Japan by M. Kato | 213 |
| Historical studies and strategies against alcohol and drug abuse by T. Baasher | 215 |
| The irrelevance of research to government policies on drugs by D. S. Bell | 221 |
| Political implications of scientific research in the field of drug abuse: the case of cannabis by J.C. Negrete | 225 |
| Abuse liability and the regulatory control of therapeutic drugs: untested assumption by J.H. Woods | 229 |
| Socio-cultural factors affecting drug addiction treatment in Italy (fear of treatment) by I. Maremmani, O. Zolesi, M. Cirillo, R. Nardini, A. Tagliamonte and P. Castrogiovanni | 235 |
| Politicians and scientists in the combat against drug abuse by L.M. Gunne | 241 |
| Opiate maintenance and abstinence — attitudes, treatment modalities and outcome by D. Ladewig | 245 |
| Anxiety and anger among abusers of different substances by S. Walfish, R. Massey and A. Krone | 253 |
| Alcoholic beverage type, recall period effects and functional disability: Evidence from the 1983 NHIS by R.G. Laforge, G.D. Williams, D.A. Parker and T.C. Harford | 257 |
| Development of a citric acid aerosol as a smoking cessation aid by E.D. Levin, J.E. Rose and F. Behm | 273 |

| | |
|--|-----|
| Alcohol, tobacco and cannabis: 12-year longitudinal associations with antecedent social context and personality by M.F. Sieber and J. Angst | 281 |
| Percieved family relationships in drug abusing adolescents by A. Stoker and H. Swadi | 293 |
| Morphologic changes of small intestine epithelium in the course of post-alcoholic liver cirrhosis by A. Boron-Kaczmarzka, A. Hryniwicz, A. Kemonia, E. Sokolewicz-Bobrowska and H. Miegoc | 299 |
| Alcohol comsumption across the lifecycle in Australia, 1985—1988 by T. Makkai and I. McAllister | 305 |
| The challenge of illicit drug addiction for general practice by J. Cohen and A. Schamroth | 315 |
| Cortisol and β -endorphin response in alcoholics and alcohol abusers following a high naloxone dosage by A. Kemper, F. Koalick, H. Thiele, A. Retzow, R. Rathsack and B. Nickel | 319 |
| Corrigendum | 327 |
| Subject Index Volume 25 | 329 |
